

# Heroes of Tara

Ethereal creatures stalk the fringes of humanity's settlements while chieftains lead their clans to battle across the wilds and into the Otherworld. We are *Heroes of Tara*! Celtic legends meet 5e in this all-new expansion where players can enjoy the mystery, romance, and tragedy of the world of Ériu.

New Classes, Tribes, and Backgrounds enable players to make their own mythic heroes. Be blessed by sacred oaths or cursed if you break them. Court the power of the gods with a new flexible and dynamic spellcasting system. Ride over your foes in thundering chariots with a mounted combat system. The *Player's Guide* provides these tools and many more, enabling players to adventure through the epic tales of ancient Ireland.

The vibrant and outrageous world of Irish mythology has much to offer, with tender-hearted beauty and nerve-shaking passion. In the *Heroes of Tara Player's Guide*, we offer an immersive way to experience this world. Our book was written as a tribute, not only to the ancient storytellers who inspired it, but also to present-day storytellers who carry on the legacy.

## FAQ

Where can I play *Heroes of Tara*? Is it out?

*Heroes of Tara* is not yet out, but you can get your hands on a demo and join our playtesting group on [Discord!](#)

Where will it be sold after kickstarter?

Both printed and PDF versions of *Heroes of Tara* will be available on DriveThruRPG.com.

Will there be other backer rewards when *Heroes of Tara* launches?

Yes, we will have many backer levels offering rewards. Those will be announced in the future. Right now, we only have rewards for PDFs and printed books. We will also be selling block prints depicting Celtic lore, and those prices will also be announced once our kickstarter launches.
